I can provide a quick update by email; and then we can set up some time to meet if you'd like to discuss further.

I am attaching the draft letter from the Region; plus copying below some additional language that David Fotouhi wanted added to the letter.

I understand from Peter Contreras that R10 water division will be doing a briefing for the R10 RA and OW AA. Have you heard this as well? I haven't seen anything scheduled yet.

Hope this helps!

Hooray! Thanks, Pooja!

An update would be great. Anna is asking us (OGWDW) about it. What's the easiest way to get an update from you on it?

Hi Karen! Good to hear from you.

Re this petition: I'm the one covering this in OGC; it's Carol King and Dane Wilson in OECA; and in R10, it's Peter Contreras, Eric Winiecki and a number of other folks in the program and Clark Thurmon in ORC. I'm not sure that anyone from OGWDW has been involved in this matter, now that I think about it. OECA had looped us in on this; and I just assumed someone had reached out to OGWDW but I should have done so myself. Sorry about that. I'd be happy to give you an update on where things are on this, if that would be helpful.

Hey Pooja! Hope this email finds you well

Any chance OGC keeps a running list of petitions and who they are assigned to? I am trying to figure out where this one reference below may be in OGWDW, and thought you might have an easy way to find that out in OGC.

Thanks so much!
